### **Back to String Basics [Zeitler] Session 3**

Are you a student who has just completed your first year or two of playing your string instrument? This course geared toward less experienced students who want extra tutoring in note and rhythm reading as well as string playing technique. Wow your teacher with how much you've improved over the summer! This course is geared towards students entering grades 4-5 or older students who need some tutoring in note reading and playing technique.

### **Band Audition Techniques [Spang/Reichl] Session 1, 2, or 3**

Think like an adjudicator and master strategies to perform at your best, despite nerves or any feelings of anxiety. Learn the best techniques to confidently prepare for a band advancement audition.

### **Chamber Music [Reinhardt] Session 3**

Playing chamber music in a small group ensemble is one of the most fun and rewarding musical experiences you will have! Student-directed groups utilize the best parts of solo playing and orchestral playing, developing leadership and musicality. Geared towards students entering grades 5-12.

### **Independent Study for Strings [Reinhardt/Zeitler] Session 2**

During our Independent Study class students will be given the opportunity to focus their efforts on a pre-selected solo piece that they would like to improve while receiving feedback and help from highly trained string specialists. Students entering grades 6-12 who take private lessons.

### **Jazz Improvisation [Spang] Session 3**

Explore the language of jazz. Learn to create meaningful jazz solos "on the fly" with proven jazz improvisation techniques. Deepen your understanding of jazz theory and exploring of idiomatic performance styles and transcription techniques.

### **Men's Choir [AuCoin] Session 3**

Are you a guy who loves to sing? This camp is designed to strengthen the voices of young men, and the brotherhood that is a group of men singing together. You will work on signature men's chorus repertoire from a variety of styles and genres. Geared toward students in grades 6-12.

### **Music Theory [AuCoin] Session 1**

Course designed to strengthen your sight-singing skills by working on melodic and rhythmic notation, key signatures, scales, triads, seventh chords, rhythmic and melodic dictation. Geared towards highly motivated students.

### **The Next Big Step in Orchestra: Auditions, Leadership, and Musicianship [Reinhardt/Zeitler] Session 2**

Learn what audition judges are looking for and how to make the most of the few minutes you have to make an impression on them. Focus on proper playing and practice techniques for violin, viola, cello, and bass students entering grades 4-12.

### **String Orchestra - Advanced [Reinhardt] Session 1**

Intensive and fun-filled music making for violin, viola, cello and bass. Geared toward students entering grades 9-12 or younger students who are playing at a higher level.

### **String Orchestra - Intermediate [Zeitler] Session 1**
