

Financial assistance is available to students who demonstrate a legitimate need in order to participate in school related music programs such as All-State, Regionals, etc. as recommended or required by the Music Directors.

Please keep in mind when requesting assistance for your student, that ALL of the funds available through the Music Boosters has been earned through diligent fundraising efforts by families in our program. Neither the school nor the county provide funding to the Music Boosters. Patron donations and fundraisers such as working concessions at Ravens games, sales of catalog items, Scrip and Giant card sales are run yearly to benefit AHS Music and its students.

To be considered for financial assistance:

- Applications must be **completely filled out** by BOTH student and parent/guardian.
- Please submit the completed application to your Music Director in a timely manner, preferably and when possible, **at least a month** before funds are required to be disbursed.
- The Music Director will present the application to the AHS Music Boosters Executive Board for final approval.

If approved, requests will generally be capped at 50% of the total cost with a \$250 maximum per family annually. There is **no guarantee** that the Executive Board will approve the request. Each request will be reviewed on a case by case basis. Any information provided herein will be kept strictly confidential.

Please contact AHS Music Boosters President, Van Doan, with any questions at tdoan.law@gmail.com
