

ATHOLTON ORCHESTRA

Chamber Orchestra Performance Trip Commitment Letter The Midwest Clinic 2017, Chicago, Illinois

Dear Chamber Orchestra Students and Parents/Guardians,

As you are aware, the Chamber Orchestra will be travelling to Chicago from December 20-23, 2017 to perform at The Midwest Clinic International Band and Orchestra Conference. While we have been planning for this exciting adventure since we learned of our acceptance to perform at the conference, we now need to solidify all of our commitments. To continue to plan appropriately, we must have a firm number of students who will be attending. All aspects of the trip – transportation, lodging, meals, and number of chaperones – are dependent on how many students will attend. Every student is an integral part of the success of the ensemble, and every student’s participation is expected. We make every effort to enable students to join us on the trip - please remember all of the fundraising efforts that are underway in order to offset a portion of the trip cost for all. No student will be denied the opportunity to go on this trip due to financial circumstances.

With this information in mind, we hope you make the decision to commit to attend this trip.

Please read and sign below to indicate your commitment to join us on this trip.

We have read and reviewed the trip information and it is our commitment that our student _____ (student name) will be attending this trip to Chicago, Illinois. We understand that no payments will be refunded for any reason, even if our plans change, due to the financial obligations entered into by the AHS Music Boosters and the AHS Music Department in planning this trip. We also understand our student’s responsibility to the AHS Music Department. Attached is our initial deposit of \$50 (made payable to AHS Music Boosters) to reserve our child’s spot on the trip.
