BECOME A MUSIC BOOSTERS PATRON

All Booster Patrons receive a special car magnet and will have their name and donation level published on our webpage and in our concert programs.

The Atholton High School Music Boosters encourage, promote and support the activities of our school's outstanding music program for the benefit of ALL music students. This includes choirs, bands, orchestra, jazz band and marching band.

FACT – It costs an estimated \$250* per student per year to maintain the standard of excellence established at AHS in the Music Program. This includes the purchase of items such as sheet music, method books, instruments and repairs, mouthpieces, guest clinicians, operational costs, etc.

FACT – the school system provided approximately \$2,000 for the ENTIRE music department this school year. With approximately 300 students in the music program that's less than \$7 per student this year!! That's not even enough for one method book per student.

FACT– commYOUunity support & fundraising efforts by the Music Boosters IS what makes it possible for our musicians to continue the Atholton tradition of excellence!

****CommYOUunity support lets our student musicians know - I M Possible!****
