

ATHOLTON MUSIC

Atholton Students/Parents:

Atholton Athletics and Atholton Music would like to invite you to audition to perform the National Anthem during the 2012-2013 school year! All performances will take place at all home JV Football Games, and Boys and Girls Varsity Basketball games. This is a great opportunity to showcase your talents as an individual or small ensemble. Vocalists and instrumentalists are welcome.

For each performance, students will be required to:

- Commit to performing at least once
- Commit to arriving 15 minutes early to each performance
- Be properly dressed (Business Casual)
- Alert Atholton Staff (Mr. Posner / Mr. Senisi) *immediately* if the student becomes ill or cannot perform at a game to which they are assigned
- Represent Atholton and our country with respect

In addition to a student commitment, parents must sign the contract that they will also ensure the student's requirements are being met, including being on time to each performance. *If any requirements are not met, students will not be able to perform that evening, nor will they be considered for future performances.*

Auditions will be held in the band room on **Monday, October 8, 2012 between 2:30-4pm**. Students will be heard in the order in which they arrive and must present a signed contract at their audition. In order to audition, an online information form must be completed by Sunday, October 7th.

Students will be chosen based on performance quality, availability, and appropriateness of the performance in context of the event.

Students/Parents should consult their calendars and check-off, on the back of this form, the dates which they *will* be available to perform. If selected, students will be assigned to events for which they are available, but may not be assigned to all events they indicated.

If you have any questions, feel free to email Eric Posner, Band Director:
