Dear Potential Sponsor:

The Atholton High School Chamber Orchestra has been selected to perform at The Midwest Clinic International Band and Orchestra Conference in December of 2017. Selected by application/audition only, Atholton is one of only five string orchestras performing at this prestigious event.

This experience is great exposure for the Howard County Public School System as well as our Howard County Community. It is also an excellent opportunity for student team building, and to expose our students to some of the best musicians in the country. However, an opportunity such as this is costly. The expected cost is between \$45,000-\$50,000 to get the students to Chicago in December 2017. Therefore, we need your help! In helping us get to certain "Mile Markers" on our 692 mile journey to Chicago, we offer several packages to recognize your support, and so that we may support your business. **Note that your generosity will be advertised to a minimum of 300 Atholton Music Department families but will also include thousands of teachers and corporations at the conference.**

If you have any questions, please do not hesitate to contact us. Keep in mind, any little bit helps and adds up, and know that any donation is tax-deductible.

Thank you and take care,
The Atholton High School Chamber Orchestra
